

## 2<sup>nde</sup> – Feuille d'exercices : Entraînement à la construction de la somme de vecteurs

### Exercice 1

Dans chacun des cas, construire le vecteur d'origine A égal à la somme  $\vec{u} + \vec{v}$

## Exercice 2

Même exercice que le précédent sans les quadrillages.

## Exercice 3

Construire le vecteur d'origine A égal à  $3\vec{u} + 2\vec{v}$

A ×
